**Joint Motion for an Extension of Time
to Brief the Issue of Class Certification**

Now comes Defendant, Andrea Brent, Plaintiff Midland Funding LLC (“Midland”), and Third-Party Defendant Midland Credit Management, Inc. (“MCM”), by and through undersigned counsel, and request that this Court stay the Parties’ obligations to brief the issue of class action certification until after the Court rules upon the parties’ dispositive motions, now due to be filed on October 21, 2008.

Local Rule 23.1(c) requires that “the party or parties asserting a class action shall, within (90) days after the filing of a pleading asserting the existence of a class or within such other period of time mandated by controlling statute, move for a determination under Fed.R.Civ.P. 23(c)(1), whether the action is to be maintained and, if so, the membership of the rule.” To that end, Defendant has filed a Motion for Class Certification on August 19, 2008 – yet did not file a brief in support.
